

HELP THE ANIMALS

Every gift, large or small, helps your furry and feathered friends, one and all. Here are some examples of what every dollar can do:

\$25 is enough to fix a dog or cat to prevent unwanted litters.

\$50 is enough to fix and vaccinate a dog.

\$100 will help homeless animal out of a shelter, into a forever home.

\$200 can provide bottle feedings and TLC for two orphaned puppies.

\$500 is enough to vaccinate more than 80 newborn kittens.

\$1,000 provides 40 dogs and cats with wellness veterinary care.

About Best Friends

Best Friends Animal Society is the only national animal welfare organization dedicated to ending the killing of dogs and cats in America's shelters. When Best Friends began in 1984, some 17 million animals died every year in our nation's shelters, simply for not having safe places to call home. Today, that number is down to about 1.5 million. That's incredible progress, but it also means that more than 4,100 dogs and cats are still losing their lives every day.

Together, we can change that. And together, we have resolved to change it, and end the killing by the year 2025.

For more than 30 years, Best Friends has been working with you to Save Them All® by running innovative grass-roots programs, supporting spay/neuter and trap-neuter-return (TNR) programs, promoting shelter adoptions, fighting puppy mills and breed-discriminatory laws, educating the public about animal issues, holding major adoption events, and conducting both large and small scale animal rescues. Best Friends also leads the Best Friends Network, comprising more than 2,200 animal welfare organizations around the country, to help other groups save lives in their communities.
